### Product Description

Designed with sound clarity and device compatibility in mind, the high-quality, cost-effective USB-C Hi-Fi headphones are perfect for e-learning, working from home, educational and office environments, and more. Compatible with all USB-C devices running Windows, macOS, iOS, Android, and Chrome OS.

### Features

- Exceptional sound comes from 40mm drivers that enable a wider dynamic range to deliver crystal-clear audio.
- Compatible with all USB-C devices running Windows, macOS, iOS, Android, and Chrome OS.
- Designed to fit all ages for universal comfort, the adjustable headband is padded, and the foam ear pads are wrapped in a soft leatherette cover to provide hours of comfortable use.
- Safe-listening limiter sets the maximum audio level to 94db to protect ears from hearing loss associated with excessive volume.
- With a one-year warranty, you can rest assured knowing you're covered by Kensington.
