

Secure Mounting Bracket for Mac mini

Part Number: K60633WW | UPC Code: 0 85896 60633 8

The ultimate
accessory for
your Mac mini.

Busy professionals often seek a secure and organized workspace for their Mac mini, but traditional mounting solutions can be complicated and may block essential ports, leading to frustration and inefficiency. The Kensington Secure Mounting Bracket for Mac mini addresses this issue with its versatile, sturdy design that can be mounted on, under, or alongside any surface. Compatible with NanoSaver® locks (sold separately), it ensures your device remains secure while allowing easy access to all ports. With a 5-year limited warranty, you can confidently protect your investment and enhance your workspace organization, enabling you to focus on what matters most—your work.

Features include:

- Mounts on, under, or alongside any solid surface
- Compatible with any NanoSaver® lock (sold separately)
- Sturdy steel frame offers long-lasting durability
- Unhindered access to all ports and power button
- 5-year limited warranty

Secure Mounting Bracket for Mac mini

Part Number: K60633WW | UPC Code: 0 85896 60633 8

Versatile Mounting Options

Mount your Mac mini on, under, or alongside any solid surfaces, optimizing your workspace for maximum efficiency.

Sturdy Steel Frame

Constructed from steel, the mounting bracket offers exceptional durability and reliable support for your Mac mini.

NanoSaver® Lock Compatibility

Protect your Mac mini against potential theft. The mounting bracket is equipped with a nano security slot, allowing you to secure your Mac mini and mounting bracket with any NanoSaver® lock (sold separately).

Unhindered Port Access

Designed to allow complete access to all ports and the power button, ensuring seamless operation without hindrance.

5-Year Limited Warranty

Enjoy peace of mind knowing you are covered by Kensington, inventor, and worldwide leader in laptop security locks.
