

## Interface® RJ45 8P8C Shielded Plug 2 Piece 50 Micron with crimp barrel

SKU - ICMP-088S-02E-C

This 2-piece set of RJ45 8P8C shielded plugs is designed for secure and reliable Ethernet connections. With a 50-micron gold-plated finish, these plugs ensure optimal signal transmission and minimal interference. The crimp barrel provides a sturdy and durable connection, making these plugs ideal for professional networking installations.

### Specifications

| Physical Characteristics              |                                                             |
|---------------------------------------|-------------------------------------------------------------|
| Connector Type                        | Plug                                                        |
| Connector                             | RJ45 8P8C Shielded Plug 2 Piece 50 Micron with crimp barrel |
| Number of Positions                   | 8                                                           |
| Colour                                | <b>Transparent</b>                                          |
| Contact Plating                       | Phosphor Bronze                                             |
| Category                              | Modular Connectors - Plugs                                  |
| Termination                           | IDC                                                         |
| Shielding Material                    | Shielded                                                    |
| Packing Details                       |                                                             |
| Dimension (L x W/ cm)* & Weight (Kg)* | Subject to change depending on the quantity and positions.  |
| Conformance                           |                                                             |
| Product Compliance                    | RoHS                                                        |
| Cable & connector Compliance          | Non UL                                                      |
| Warranty                              |                                                             |
| Product Warranty                      | 7 Days                                                      |
