

Interface® 6P4C Vertical Through Mount Unshielded Modular Jack Right Angle

SKU - ICMS-6S1

The 6P4C Vertical Through Mount Unshielded Modular Jack Right Angle is a high-quality product designed for efficient and reliable connectivity. With its vertical through mount design, it can be easily installed in various applications, providing a secure and space-saving solution. The modular jack features a right angle configuration, allowing for convenient cable routing and minimizing strain on the connectors. It is unshielded, ensuring clear and uninterrupted transmission of data and voice signals. The 6P4C configuration provides compatibility with a wide range of devices, making it suitable for both residential and commercial use.

Specifications

Physical Characteristics	
Connector Type	Receptacle, Female Socket
Connector	6P4C Vertical Through Mount Unshielded Modular Jack Right Angle
Number of Positions	6
Colour	Black
Contact Plating	Gold Flash
Category	Modular connector - Jacks
Termination	Solder
Voltage	125 V AC
Packing Details	
Dimension (L x W/ cm)* & Weight (Kg)*	Subject to change depending on the quantity and positions.
Conformance	
Product Compliance	RoHS
Cable & connector Compliance	Non UL
Warranty	
Product Warranty	7 Days
