

Interface® 2×4 RJ45 8P8C Shielded with Dual LED and Fins Modular Jack Right Angle

SKU - ICMS-8S1

Introducing our 2×4 RJ45 8P8C Shielded Modular Jack with Dual LED and Fins, designed for optimal performance and durability. This right angle modular jack is perfect for various networking applications, providing a secure and reliable connection. With its shielded design, it offers enhanced protection against electromagnetic interference, ensuring a stable and uninterrupted data transmission. The dual LED indicators provide visual confirmation of network activity, making troubleshooting easier. The fins on this modular jack aid in heat dissipation, preventing overheating and ensuring long-lasting performance.

Specifications

Physical Characteristics	
Connector Type	Receptacle, Female Socket
Connector	2×4 RJ45 8P8C Shielded with Dual LED and Fins Modular Jack Right Angle
Number of Positions	8
Colour	Black
Contact Plating	Gold Flash
Category	Modular connector - Jacks
Termination	Solder
Voltage	125 V AC
Packing Details	
Dimension (L x W/ cm)* & Weight (Kg)*	Subject to change depending on the quantity and positions.
Conformance	
Product Compliance	RoHS
Cable & connector Compliance	Non UL
Warranty	
Product Warranty	7 Days
