

Interface® RJ45 8P8C Shielded Modular Jack with Single LED and Fins Right Angle

SKU - ICMS-8S6

Introducing the RJ45 8P8C Shielded Modular Jack with Single LED and Fins Right Angle, a high-quality networking component designed to enhance your connectivity experience. This modular jack features a shielded design, providing excellent protection against electromagnetic interference for reliable data transmission. The single LED indicator allows for quick visual identification of network activity, while the right-angle fins ensure a secure and space-saving connection. With its durable construction and efficient performance, this modular jack is an ideal choice for professional networking applications.

Specifications

Physical Characteristics	
Connector Type	Receptacle, Female Socket
Connector	RJ45 8P8C Shielded Modular Jack with Single LED and Fins Right Angle
Number of Positions	8
Colour	Black
Contact Plating	Gold Flash
Category	Modular connector - Jacks
Termination	Solder
Voltage	125 V AC
Packing Details	
Dimension (L x W/ cm)* & Weight (Kg)*	Subject to change depending on the quantity and positions.
Conformance	
Product Compliance	RoHS
Cable & connector Compliance	Non UL
Warranty	
Product Warranty	7 Days
