

Interface® 8P8C Vertical Through Mount Modular Jack Unshielded Right Angle

SKU - ICMS-8S8

Introducing the 8P8C Vertical Through Mount Modular Jack Unshielded Right Angle, a versatile and reliable connectivity solution. This modular jack is designed to be mounted vertically, offering a space-saving option for various applications. With its unshielded design, it provides efficient data transmission without interference. The right angle configuration ensures easy and convenient cable connections. Whether you need to connect Ethernet cables or other compatible devices, this modular jack is a perfect choice for your networking needs

Specifications

Physical Characteristics	
Connector Type	Receptacle, Female Socket
Connector	8P8C Vertical Through Mount Modular Jack Unshielded Right Angle
Number of Positions	8
Colour	Black
Contact Plating	Gold Flash
Category	Modular connector - Jacks
Termination	Solder
Voltage	125 V AC
Packing Details	
Dimension (L x W/ cm)* & Weight (Kg)*	Subject to change depending on the quantity and positions.
Conformance	
Product Compliance	RoHS
Cable & connector Compliance	Non UL
Warranty	
Product Warranty	7 Days
