

Interface® 2.54mm Single Row Straight Berg Stick

SKU - ICB1-1SXX

The 2.54mm Single Row Straight Berg Stick is a versatile electronic component that is commonly used in various applications. With a pitch of 2.54mm, this straight Berg stick allows for easy and secure connections between circuit boards and other electronic devices. Its single row design provides a compact and space-saving solution, making it ideal for projects with limited space. The high-quality construction ensures reliable and durable performance, making it suitable for both professional and DIY projects. Whether you are working on prototyping, circuit board assembly, or any other electronic project, the 2.54mm Single Row Straight Berg Stick is a reliable choice that will meet your connectivity needs.

Specifications

Physical Characteristics

Contact Type	Plug Male Pins
Connector	2.54mm Single Row Straight Berg Stick
Number of Positions	40
Colour	Black
Contact Plating	Half Gold Nickel
Category	Board to Board Connectors
Termination	Solder
Wire Gauge	24-28

Packing Details

Dimension (L x W/ cm)*	11*3
Weight (Kg)*	0.459

Conformance

Product Compliance	RoHS
Cable & connector Compliance	Non UL

Warranty

Product Warranty	7 Days
