

Interface® Interface® RJ45 8P8C Direct Crimpable Plug

SKU - ICMP-88-10H-DCP

This RJ45 8P8C Direct Crimpable Plug is designed for easy and secure termination of Ethernet cables. It features 8 positions and 8 contacts, ensuring reliable connectivity for network applications. The direct crimp design allows for a quick and efficient installation process, making it ideal for both professional installers and DIY enthusiasts. With durable construction and compatibility with Cat5e and Cat6 cables, this plug is a versatile solution for creating custom-length Ethernet cables for home or office use.

Specifications

Physical Characteristics	
Connector Type	Plug
Connector	RJ45 8P8C Direct Crimpable Plug
Number of Positions	8
Colour	Transparent
Contact Plating	Phosphor Bronze
Category	Modular Connectors - Plugs
Termination	IDC
Shielding Material	Shielded
Packing Details	
Dimension (L x W/ cm)*	9*2
Weight (Kg)*	0.13
Conformance	
Product Compliance	RoHS
Cable & connector Compliance	Non UL
Warranty	
Product Warranty	7 Days
