

Interface[®] D-Sub Female PCB Mount Right Angle

SKU - ICD1-FAXX

This D-Sub female PCB mount right angle connector is designed for easy installation on printed circuit boards, providing a secure and reliable connection for various electronic devices. With its right angle design, this connector allows for space-saving and efficient PCB layout, making it ideal for applications where space is limited. The durable construction ensures long-lasting performance, while the male D-Sub interface ensures compatibility with a wide range of devices. Perfect for use in industrial, commercial, and consumer electronics applications, this connector is a versatile and essential component for any electronics project.

Specifications

Physical Characteristics	
Connector Type	Receptacle, Female Sockets
Connector	D-Sub Female PCB Mount Right Angle
Number of Positions	9, 15, 25
Colour	Black
Contact Plating	Copper Alloy
Category	PCB Right Angle
Termination	Solder
Pitch	2.54mm
Packing Details	
Dimension (L x W/ cm)* & Weight (Kg)*	Subject to change depending on the quantity and positions.
Conformance	
Product Compliance	RoHS
Cable & connector Compliance	Non UL
Warranty	
Product Warranty	7 Days
